Project 1.11.2004 – 30.6.2005

Residence 4.4. – 30.6.2005

The "Portraying Ourselves" project invited Rauma residents to relate accounts of their lives in Rauma. It aimed to involve Rauma residents to participate in jointly creating social portraits that can reflect the social fabric of Rauma and to identify what are the important places, activities, events and objects for Rauma. It aimed to showcase a people's connection with a place (physical) and their sense of their own place (social/ individual, roles/ identity) in this time and space.
