Residency: late 1997

Chinese artist Chan Ky-Yut thinks of art and artist as one. In his works this can be seen in the presence of chinese physical exercise-techniques. Also in his workshops at the Children's Visual Art School and Adult Education Centre people got to learn exercises that were said to be adding energy. Ky-Yut's exhibition was held in Lönnström Art Museum. It consisted of paintings & aquarelles and continued until 11th January 1998.

Chan Ky-Yut's visit started RaumArs A-i-R Programme.
