

Zsofia Barabas. 2000

Zsofia Barabas (HU)

Young rising drawer, Hungarian Zsofia Marta Barabas, was only a first-year art-student when arriving in Rauma as Raumar's visiting artist. She made 3D- paperworks combining sculpture, drawing and watercolour. She made many city-landscapes from Rauma centre showing the local architectural features. Some of the works were made for marketing Rauma's culture in Helsinki Exhibition and Convention Centre.
